

## Commissioner Application

Thank you for your interest in joining Volunteer West Virginia as a Commission Member. Volunteer West Virginia is the State's Commission for National and Community Service. We oversee AmeriCorps State funding for West Virginia, administer and host the Governor's Service Awards, and support volunteer infrastructure. Commissioners are appointed by the Governor, serve three-year terms, and support our work across the state. Commissioners attend four meetings a year, two of which are in-person, and serve on committees. New Commission Member nominees are selected by the Governance Committee to meet federal requirements for the composition of the Commission. All Commission appointments are subject to the approval of the Governor.
